

Kindergarten - Grade 3

- 2 packages of wax crayons (16 or 24 count)
- 1 package of 12 (or more) pencil crayons
- 1 package of 8 (or more) markers (*Crayola or Mr. Sketch are best because they last all year without drying out*)
- Pencils (at least 20 but more is better)
- White erasers (at least 5)
- 10 large glue sticks
- 1 bottle of white glue
- 1 pair of scissors
- 2 black Sharpies
- 1 or 2 hard pencil boxes (*This will depend on how many you need to hold the supplies. They need to hold crayons, pencil crayons, markers, scissors, pencil, eraser and glue stick.*)
- 1 box of Kleenex
- 1 box of band-aids
- 1 set of headphones in a Ziploc bag (*Please do not send earbuds as they do not last and they are hard on young ears. Please ensure that the headphones are not Bluetooth - they need a cord to plug in.*)
- 1 Pair of indoor shoes. (*Please practice with your child putting on and taking off their shoes. This can often be an overwhelming task for students at the beginning of the year.*)
- 1 reusable water bottle

We have a storage area for the extra supplies so please send ALL that is asked for at the beginning of the year.

I will purchase the notebooks, duo-tangs, and highlighters for the students so there will be a small fee for these in the fall.

Please label all items with your child's name or initials so that we can ensure lost items find their way home.

There will be no agendas this year. We will be using the Edsby platform for all school-to-home communication.

If your child has lace up shoes, please help them learn how to tie them. Scan the QR code for a shoe-tying method that's easy for little hands.
