

Grade 7 - 9

- Sticky notes
- Metric ruler
- Thin dry-erase markers
- Geometry set that includes both a compass and a protractor
- 4 – 2" binders or 2 large fabric binders
- Subject dividers (3 packages of 8)
- Writing Notebook
- Graphing Notebook
- 1 Package of loose-leaf paper
- Head phones
- 2 boxes of Kleenex
- 1 reusable water bottle
- 1 pair of indoor shoes
- Calculator

1 Pencil Case for everyday items:

- 30 pencils
- Personal pencil sharpener (optional)
- 4 white erasers
- Ball-point pens (blue, black and red)
- 3 highlighters
- White-out tape (optional)

1 Pencil Case for art supplies:

- Markers
- Pencil crayons
- 4 thin black sharpies
- 4 large glue sticks
- Scissors

- I recommend any scientific, 2-line display calculator which should cost no more than \$22 before tax. Casio (look for any with the V.P.A.M designation), Texas Instruments (TI-30XIIS), Sharp (EL510RTB), and Canon (F-30SX) are all brands I could recommend. Any of these calculators will serve students right through to the end of grade 12.

Physical Education Attire & School Shoes: Every student is required to have a pair of non-marking shoes to be left at school for use inside of the school and in the gymnasium. It is recommended that this shoe be a running or training shoe as they are an all-purpose shoe. Students without the appropriate footwear will not be permitted to participate in Physical Education. Every student is highly encouraged to change into gym clothing that is dedicated for use during Physical Education. Cubbies are available for those who wish to have Physical Education clothing at school. In addition to Physical Education clothing, every student is encouraged to have personal hygiene products (i.e. deodorant/antiperspirant – stick, not spray) for use after physical activity.

Please label all items with your child's name or initials so that we can ensure lost items find their way home.

There will be no agendas this year. We will be using the Edsby platform for all school-to-home communication.
